ALPINE FAIRYTALE – HALF DAY TOUR

From Ljubljana to the Alpine region below the Julian Alps we reach Bled, the magnificent alpine resort. We will ascent the old castle perched on top of a steep cliff above the glacial Lake Bled. Castle terraces offer spectacular views of the lake and its tiny island in the middle.

After the descend from the castle we will take a boat ride with 'Pletna' – the traditional boat made by locals - and reach the only true island in Slovenia, ring a 'fortune bell' and enjoy in the beautiful reflection of the mountains on the lake, the sun, peace and fresh air or continue to the breath-taking beauty of Bled's Vintgar gorge, where a wooden path leads along the rushing river Radovna through the picturesque gorge, which measures 1600m and ends with the 26-metre waterfall Šum.
